# Training Calendar 2025

**Amovita has a diverse and dynamic range of quality and highly regarded training programs.**

Each training program has been designed and developed with you in mind. Our professionals hold expertise in the area they provide training, engage in professional supervision and coaching and know how to construct a training program that you can be proud to take back to your workplace.

We can specifically develop training or professional development training, workshops or programs for your workplace.

For information about any of the training outlined in our 2025 calendar contact us on [info@amovita.com.au](mailto:info@amovita.com.au) or call 0490 049 906 to discuss your needs.
